

# MyDiscounts User Guide

The MyDiscounts website is for access by NTU staff only, but staff can give cards they have purchased to friends and family. Registration is required to access the discounts and offers using the access code **NTUNB15**. You can personalise the look of your home page by dragging the sections for your preferred categories to the top of the list. Contact details are accessible at the bottom left corner of the screen.

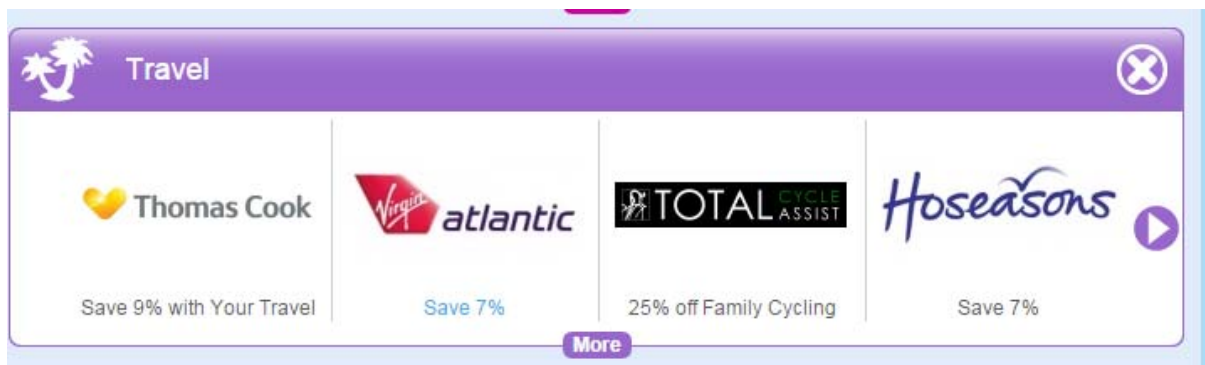

## SEARCHING FOR RETAILERS AND BUSINESSES

From the home page, either:

Search for a specific retailer/business within the 'Search' facility, or

Expand the relevant category using the 'More' button at the base of the category section

## BUYING YOUR VOUCHER/STORE-CARD

Once your retailer/business is selected click on:

All discounts are then displayed alphabetically for you to select your chosen retailer, or you will be provided with a discount code for on-line shopping. The discount amount will be displayed together with symbols identifying how it is available (the key below is displayed at the top of the screen).

Your discount is calculated automatically (as shown below) and the card should be added to your basket. Click on 'Continue Shopping' to add additional vouchers/cards to your basket (postage is a fixed amount and you will not be charged additional postage for

buying multiple cards). You can amend vouchers/cards in your basket prior to purchase. The checkout process will request completion of your delivery details, delivery method and payment.
